She's THE Boss

CHRISTMAS 2026

The Christmas Gift Guide

Gifts from women in business, for the women in your life.

A NOTE FROM JULES

Shop women-owned this Christmas

Every Christmas I'm reminded how many brilliant women in our community make beautiful things. So this year we've put them in one place: our own She's The Boss tees, the bangles that sparkle at our Christmas party every year, and gorgeous gifts from our members. Every gift in this guide backs a woman in business, and that's my favourite kind of present.
